COVER MESSAGE

Direct, AGAIN to House Speaker Boehner, FBI, AG, and other top leadership of USA government by FAX. For I have personally visited Washington, gone to JerUSAlem, Rome Italy, and even my own return from Walk to Emmaus in Latrum Nickopolis over Easter holiday weekend. My SS is 243-86-0043 and DOB Aug 15, 1958 to confirm I am WHO I SAY I AM and that NO one has every had any right to force me into jail Oct 3, 2011 because I went to Langley Airforce West Gate on Sept 25, 2011. It is the basis for all crimes committed against me as the #1 Class Action Plaintiff against over 100 USA government officials who saw the Cobb County GA Cancelled TPO 11.1.1171.99 dated July 15, 2011 implicating massive coverup conspiracies by my own lawyers with focus on Cobb County DA Patrick Head and Berry Vic Reynolds over \$6,000 I paid him for Marietta P.D> Report 1.11.2506 I filed Feb 4, 2011 after I was brutally robbed of \$32,000 USD assets and cash by Ms. Bashama and Robert Dee Rose to destroy their own evidence.

The USA government and Military have NEVER had any options but to investigate and put Robert Dee Rose in PRISON, even DEATH ROW for his capital crimes, attempted murder, bribery, extortion, massive tax/bank fraud and laundering to remain elusive based on PCTerror.com ManHuntRose.com SolutionMilitary.com is the PRIME solution for our entire world.
